## *Beautiful Mountain Views with Lake Access*

This lake access Luxury Home provides a panoramic mountain range view, along with

spectacular views of beautiful  
**Lake Glenville.**

There is lake access with private boat docks for your use, small sandy beach and a water-side covered pavilion for cookouts. In addition, a regulation size tennis court is available for your enjoyment.

This new home features two stories with wrap around open and covered decking on both floors and offers over 3000 square feet of spacious living area.

The main floor consists of a large open living area with vaulted ceilings, hardwood floors, stone fireplace and a "Antique English Pub Bar" with a cozy sitting area.

Also located on the main floor is a fully equipped kitchen with sit down bar, dining area, guest bathroom and large master suite with a king size bed and private bath.

The bedroom, living room and dining area all open onto a walk around deck, which is furnished for outside entertaining, relaxation and dining, including a gas grill.

The lower floor consists of another spacious living area with a stone fireplace and a queen size sleeper couch. In addition, there is a game area and kitchenette with microwave, refrigerator and sit down counter with bar sink.

The living area separates two bedroom suites. One bedroom consists of 2 queen size beds and private bath and the other contains a king size bed and bath.

As with the upper level, all rooms are accessible to the lower wrap around decking and have huge windows providing the same

magnificent view of the lake and mountain range.

The house will sleep 10 comfortably and all linens will be supplied. The laundry room is located on the lower floor with a heavy duty washer and dryer.

The house has fans in many rooms as well as central heat and air conditioning. Satellite televisions and VCR's are provided on both floors.
